AMEND Senate Bill No. 1048

House Bill No. 575*

by deleting all the language after the enacting clause and by substituting instead the following language:

SECTION 1. Tennessee Code Annotated, Section 68-11-1628, is amended by adding the following language as a new subsection:

(d) Any existing licensed and operating nursing home which has been operated as part of a continuing care retirement community that offers long term care, including services that included skilled nursing facility (SNF) services, assisted living, and independent living for at least twenty (20) years may relocate thirty (30) or fewer of its licensed beds to a new, separately licensed nursing home which will also operate as part of a continuing care retirement community if all the following conditions are satisfied:

(1) The proposed location for the relocation of beds is within the same county as the original facility;

(2) Both the original licensed facility and the new separately licensed facility will be licensed to not-for-profit corporations, and are affiliated through common management;

(3) The original facility is certified for participation in the medicare program, but is not and was not certified for the medicaid program within the ten (10) years preceding the filing of a certificate of need application for the relocation of beds, and any beds relocated to a new location shall initially have the same medicare and medicaid certification status that the original, existing

nursing home relocating its beds maintains when the certificate of need is
granted allowing the relocation of beds;

(4) The original facility is licensed for at least one hundred twenty (120)
nursing home beds by the department of health; and

(5) An application for the relocation of the beds is filed with and approved
by the health services development agency pursuant to this part.

SECTION 2. This act shall take effect July 1, 2013, the public welfare requiring it.
